

Bringing God's love and hope to lives affected by poverty, addiction & mental illness

We have so much to be grateful for....

Here's what some of the men at Jericho Road are thanking God for:

Nick K (pictured below):

"I am grateful to Jericho Road for allowing me the opportunity to achieve sobriety, for drawing me closer to God, allowing me the chance to reconnect with my family and loved ones and helping me find peace and happiness with myself."

I am grateful for....

Joel A: "...finally becoming the young man that God wanted me to be all along."

Christian D: "...a community that has given me a new way to live and tools for my daily living."

More Gratitudes...

Rob H: "I have been with Jericho Road 19 years. I am a graduate of the Addiction Program and I am in Second-Stage Housing. I am grateful to God and Jericho Road for teaching me faith in others & myself and for the grace to make big mistakes. Also, I have learned that I am valuable and useful and have something good to offer to this community."

Johnny M: "I am grateful to God for grace and to Jericho Road for making me a productive member of society."

Joe G: "I am grateful for the helpful tools and the wonderful community I have gained in Jericho Road."

Still More to be Grateful for....

Thank You for making a Difference!

Summer is typically a difficult time for charities as donations slow down and finances become tight. But thanks to your response to our Urgent Appeal in May, we are in a good place heading into the summer! Your support, along with some adjustments we've made, has lightened the stress!

Thank you for your response to the need and for remembering us over the summer months.

Thank You to everyone who was able to join us for our Celebration Supper. We hope you enjoyed it as much as we did.

It was great to fellowship with you and share our vision & needs for the coming year. We really enjoyed hearing the men's stories of gratitude.

We see definite answer to the prayers we've committed to as a staff, Board and community. As you may remember in our April Newsletter, we have committed to "circling needs" and trusting God to meet those needs.

We are grateful that:

We found a new home for our graduates - this is an answer to our prayers.

We'll be opening up a new home sometime in September. This new space is ideal to serve our recent graduates along with our long-term concurrent disorder grads where we can offer a program specifically designed for their transitional needs and long-term goals.

We are grateful for:

Your response to our financial need—another answer to our prayers.

Thank you for being a part of Jericho Road, for financially supporting us in our time of need and for praying with us!
